

UNIVERSITY OF UYO
P.M.B. 1017, UYO, NIGERIA
POSTGRADUATE SCHOOL

FACULTY OF AGRICULTURE

Department of Agricultural Economics & Extension:

M.Sc. in Agricultural Economics with Specialization in: Production Economics and Farm Management, Agribusiness Management, Agricultural Marketing and Cooperatives, Agricultural Policy and Development, Agricultural Finance, Natural resources and Environmental Economics, Econometrics/Quantitative Research Methods.

Ph.D. in Agricultural Economics with Specialization in: Production Economics and Farm Management, Resources and Environmental Economics, Agribusiness and Financial Management, Agricultural Trade and Marketing, Agricultural Policy, Planning and Development, Agricultural Enterprise Development and Project Management, Quantitative Research Methods/ Econometrics.

M.Sc. in Agricultural Extension with specialization in: Agricultural Extension Education, Agricultural Administration, Agricultural Communication, Gender Issues in Agricultural Extension/Rural Development.

Ph.D. in Agricultural Extension with specialization in: Agricultural Extension/Rural Development, Agricultural Administration, Agricultural Communication.

Department of Animal Science: M.Sc. & Ph. D in Animal Science with specialization in: Animal Nutrition and Biochemistry, Animal Breeding and Genetics, Animal Production Management, Animal Physiology & Reproduction, Animal Products Technology.

Department of Crop Science: M.Sc. in Crop Science with specialization in: Crop Production and Physiology, Genetics Crop Breeding and Biotechnology, Crop Protection, Weed Science and Pasture Agronomy, Farming Systems and Horticulture.

Ph.D in Crop Science with specialization in: Crop Production, Crop Physiology, Farming System, Horticulture, Weed Science, Pasture Agronomy, Entomology, Crop Breeding, Genetics & Biotechnology, Pathology, Nematology.

Department of Soil Science: M.Sc. & Ph. D. in Soil Science with specialization in: Soil Microbiology & Biochemistry, Soil Survey & Land Use Planning, Soil Physics & Conservation, Soil Chemistry & Minerology, Soil Fertility/Fertilizer Technology, Pedology, Environmental Soil Science.

Department of Food Science & Technology: M.Sc. & Ph.D in Food Science & Technology with specialization in: Food Microbiology & Biotechnology, Food Chemistry, Biochemistry & Biotechnology, Food Quality Control & Assurance, Food Processing & Storage and Ph. D. in Brewing Science & Technology.

Department of Forestry & Natural Resources Management: M.Sc. Forestry & Wildlife with specialization in: Forest Resources Management and Economics, Environmental Forestry, Wood Science, Agroforestry, Wildlife Management.

Ph.D. in Forestry & Wildlife with specialization in: Forest Resources, Environmental Forestry, Wood Science, Agroforestry, Wildlife Management.

Department of Fisheries & Aquaculture: M.Sc. & Ph.D. in: Fisheries & Aquaculture, Aquatic Environmental Management

Department of Home Economics, Nutrition & Dietetics: M.Sc. & Ph.D in Home Economics with specialization in: Textiles, Clothing & Fashion Design, Family Resource Management (Home Management), Human & Family Development, Foods & Nutrition.

Centre for Wetlands and Waste Management Studies:
M.Sc. in Environmental Health Management (EHM)

FACULTY OF ARTS

Department of Communication Arts: M.A & Ph.D in Mass Communication with specialization in: Business and Organizational Communication, Radio/TV Broadcasting, Print Journalism, Public Relations and Advertising, Development Communication and Political Communication

Department of English: M.A and Ph.D English with specialization in: Language, Literature

Department of Foreign Languages: M.A. in French. Ph.D in French Language, Literature in French and Translation Studies

Department of History & International Studies: M.A in History & International Studies with specialization in: Archeology of Nigeria, African History, Social & Political History, Economic History, Urban History, International History and Diplomacy, Peace and Conflict Studies, Military and Strategic Studies, Gender Studies.

Ph. D in History and International Studies with specialization in: International History and Diplomacy, African Diaspora Studies, Peace and Conflict Studies, Gender Studies, Military and Strategic Studies, Archeology and Cultural Heritage Management.

Department of Linguistics and Nigerian Languages: M.A & Ph.D in Linguistics, M.A. in Computational Language Documentation, Ph. D in Computational Language Technology.

Department of Religious and Cultural Studies: M.A. & Ph.D in Religious Studies with specialization in: Sociology of Religion, Biblical Studies: (1) Old Testament, (2) New Testament, African Traditional Religion, Church History, Philosophy of Religion .

Department of Philosophy: M.A & Ph.D in Philosophy with specialization in: Epistemology, Metaphysics, Value Theories, Socio-Political Philosophy, African Philosophy, Philosophy of Religion, Philosophy of Science, Philosophy of Education, Philosophy of Law, History of Philosophy, Philosophy & Gender Studies, Logic, Philosophy of Language, Philosophy of Social Science, Philosophy of Mind, Philosophy & Public Affairs, Philosophy of Medicine, Philosophy of Environment.

Department of Music: M.A. in Music.

Department of Theatre Arts: M.A. in Theatre Arts

FACULTY OF BASIC MEDICAL SCIENCES

Department of Biochemistry: M.Sc. & Ph.D in Biochemistry

Department of Anatomy: M.Sc. in Anatomy with specialization in: Histology and Histochemistry, Embryology and Teratology, Physical Anthropology and Comparative Anatomy, Neurobiology

Ph.D in Anatomy with specialization in: Neurobiology, Clinical and Radiological Anatomy, Physical Anthropology, Histochemistry, Cellular and Molecular Biology, Developmental Biology and Teratology

Department of Physiology: M.Sc. & Ph.D in Human Physiology with specialization in: Endocrinology, Reproductive Physiology, Neurophysiology, Metabolism, Renal Physiology,

Environmental insults on Physiological variable, Gastrointestinal Physiology, Cardiovascular Physiology.

FACULTY OF BUSINESS ADMINISTRATION

Master of Science (M.Sc.) in: Accounting, Banking and Finance, Business Management, Marketing, Insurance and Risk Management.

Collaborative Ph.D in: Accounting, Banking and Finance, Business Management, Marketing

FACULTY OF CLINICAL SCIENCES

Department of Medical Microbiology & Parasitology:

Master of Science (M.Sc.) in Medical Microbiology with specialization in: Medical Microbiology (Medical Bacteriology/Clinical Immunology/Public Health Microbiology), Medical Parasitology.

FACULTY OF EDUCATION

Institute of Education: Postgraduate Diploma in Education (PGDE)

Department of Curriculum Studies, Educational Management & Planning:

M.Ed. & Ph.D in: Curriculum Studies, Educational Management & Planning

Department of Educational Foundations, Guidance and Counselling:

M.Ed. & Ph.D in: Guidance & Counseling, Educational Psychology , Sociology of Education, Educational Evaluation, Social Studies in Education and Philosophy of Education.

Department of Physical & Health Education:

Physical Education: M.Sc(Ed.) in: Adapted Physical Education, Exercise Physiology, Organization & Administration of Physical Education & Sports, Sociology & Psychology of Sports

Ph.D in: Organization & Administration of Physical Education and Sports,

Exercise Physiology, Adapted Physical Education, Sports Psychology , Sociology of Sports

Health Education: M.Sc(Ed.) in: Community Health, School Health, Environmental and Occupational Health. Ph. D in Public Health Education

Department of Educational Technology & Library Science:

Master in Library and Information Science (MLIS), M.Sc (Ed) in Educational Technology

Ph.D in Library and Information Science with specialization in: Library Science, Information Science, Archives and Records Management, Publishing and Book Trade

Ph.D in: Educational Technology

Department of Early Childhood & Special Education:

M.Ed & Ph.D. in: Early Childhood Education

Department of Vocational Education: M.Ed. in: Textile Technology Education,

M.Sc(Ed.) & Ph.D in: Agricultural Education, Business Education, Technical Education, Computer Education & Home Economics Education

Department of Science Education: Master of Science Education M.Sc.(Ed.) & Ph.D in:

Biology Education, Chemistry Education, Integrated Science Education, Mathematics Education, Physics Education

FACULTY OF ENGINEERING

Department of Chemical and Petroleum Engineering: Postgraduate Diploma (PGD) in Petroleum Engineering, Postgraduate Diploma (PGD) in Chemical Engineering

Master & Ph.D in Chemical Engineering with specialization in: Advanced Chemical Engineering, Environmental Process Engineering, Chemical Process Design, Petroleum Processing Engineering, Biochemical Engineering.

M.Eng. & Ph.D in Petroleum Engineering with specialization in: Production Engineering, Drilling Engineering, Reservoir Engineering, Gas Engineering, Georesources Engineering, Geoenvironmental Engineering.

Department of Mechanical Engineering: Postgraduate Diploma (PGD) in Mechanical Engineering, M.Eng. & Ph.D in Mechanical Engineering with specialization in: Production Engineering, Building Services Engineering, Materials Engineering.

Department of Computer/Electrical & Electronics Engineering: Postgraduate Diploma (PGD) in Computer Engineering, Postgraduate Diploma (PGD) in Electrical/Electronics Engineering. M.Eng. in Computer Engineering with specialization in: Computer (Hardware) Engineering, Software & Systems Engineering. M.Eng. in Electrical/Electronics Engineering with specialization in: Electric Power Devices (Machines), Electrical Power Engineering. Control Engineering, Electronics & Communications Engineering,

Department of Food and Agricultural Engineering:

Postgraduate Diploma (PGD) in Food and Agricultural Engineering. M.Eng. & Ph.D in Food Engineering with specialization in: Food Process Engineering, Food Machinery and Equipment Engineering, Food Storage, Distribution and Environmental Engineering.

M.Eng. & Ph.D in Agricultural Engineering with specialization in: Farm Power and Machinery (FPM), Agricultural Products Processing and Storage, Soil and Water Conservation Engineering (SWE), Farm Structures and Environment

Department of Civil Engineering: Postgraduate Diploma (PGD) in Civil Engineering

Master of Civil Engineering degree (M.Engr.) in the following areas of specialization: Structural Engineering, Water Resources Engineering, Environmental Health Engineering, Geotechnical Engineering.

FACULTY OF ENVIRONMENTAL STUDIES

Department of Architecture: M.Sc. in Architecture

Department of Building: M. Sc & Ph.D in Construction Management

Department of Estate Management: M.Sc. & Ph.D in Estate Management

Department of Fine & Industrial Arts: Master of Fine Arts (MFA) in: Ceramics, Painting, Sculpture, Textiles, Graphics. Master of Arts in Art Education (M.A. Art Education). Ph.D in Fine & Industrial Arts with specialization in: Ceramics Design and Technology, Graphics Design and Technology, Painting and Painting Technology, Textiles Design and Technology, Sculpture.

Department of Urban & Regional Planning: Master of Urban & Regional Planning (MURP), M.Sc. in Environmental Management. Ph.D in Urban & Regional Planning

FACULTY OF LAW: LLM & Ph.D in Law

FACULTY OF PHARMACY

Department of Pharmaceutical & Medicinal Chemistry: M.Sc. & Ph. D in Pharmaceutical and Medicinal Chemistry with specialization in: Synthesis and Characterization of Chemotherapeutic Agents Drug Metabolism, Pharmacokinetics of Drugs and Effects on Drug Therapy, Chemistry of Natural Products.

Department of Pharmacognosy and Natural Medicine: M.Sc. in Pharmacognosy and Natural Medicine with specialization in: Phytochemistry, Biological Evaluation of Natural Products, Cultivation and Propagation of Medicinal Plants, Tissue Culture
Ph.D in Pharmacognosy

Department of Pharmacology & Toxicology: M.Sc. & Ph.D in: Pharmacology

Department of Pharmaceutical/Pharmaceutical Technology:

Master of Pharmacy (M.Pharm) in Pharmaceutics and Pharmaceutical Technology

M.Sc in Pharmaceutics/Pharmaceutical Microbiology

Ph.D in Pharmaceutics/Pharmaceutical Technology

Ph.D in Pharmaceutical Microbiology

Department of Clinical Pharmacy and Biopharmacy

Master of Pharmacy (M.Pharm) in Clinical Pharmacy

Ph.D in Clinical Pharmacy

FACULTY OF SCIENCE

Department of Botany & Ecological Studies: M.Sc & Ph.D Botany with specialization in: Cytogenetics & Genetics, Plant Physiology/Phytochemistry, Plant Ecology, Plant Taxonomy/Systematics, Plant Virology/Pathology, Plant Anatomy.

Department of Chemistry: M.Sc & Ph.D in: Analytical Chemistry, Environmental Chemistry, Industrial Chemistry, Inorganic Chemistry, Organic Chemistry, Physical Chemistry, Polymer Chemistry.

Department of Computer Science: M.Sc. in Computer Science. Ph.D Curriculum in Computational Intelligence

Department of Mathematics & Statistics: M.Sc. in Statistics. M.Sc. & Ph. D in: Mathematics

Department of Microbiology: M.Sc. & Ph. D in: Environmental Microbiology, Industrial & Food Microbiology

Department of Physics: M.Sc. & Ph.D in Physics with specialization in:

Pure Physics: Atomic/Nuclear Physics, High Energy/Particle Physics, Plasma Physics, Solid State/Condensed Matter Physics, Theoretical Computational Physics

Applied Physics: Electronics/Communications, Geophysics, Atmospheric Physics, Radiation/Health Physics, Renewable Energy.

Department of Animal and Environmental Biology: M.Sc & Ph.D in: Parasitology, Hydrobiology, Entomology.

FACULTY OF SOCIAL SCIENCES

Department of Economics: Postgraduate Diploma (PGD) in Economics. M.Sc & Ph.D in Economics with specialization in: Development Economics, Monetary Economics, Public Finance, Environmental Economics, International Economics.

Department of Geography & Natural Resources Management:

1. M.Sc. & Ph.D in Geography and Natural Resource Management with Specialization in: Geography & Environmental Management, Biogeography, Agricultural Geography, Climatology and Climate Change Studies, Rural Land use Planning, Urban Studies, Regional Development Planning, Environmental/Resource Management, Population Studies and Medical Geography, Economics Geography, Transport Planning and Management, Natural Disaster and Risk Management, Tourism Geography, Geographic Information System, Water Studies.
2. M.Sc. & Ph.D in Environment and Development
3. Master of Geographic Information System (MGIS).

Department of Political Science and Public Administration: M.Sc. and Ph.D in: Public Administration, International Relations. Ph.D in Comparative Politics

Department of Psychology: M.Sc. and Ph.D with options in: Clinical Psychology, Industrial/Organizational Psychology and Social Psychology.

Department of Sociology/Anthropology: M.Sc. and Ph.D in: Sociology & Development, Criminology, Industrial Sociology, Medical Sociology, Rural and Community Development, Social/Cultural Anthropology, Demography.
